*Stafford Creek Corrections Center – January 2016 Vol 8/No 1*

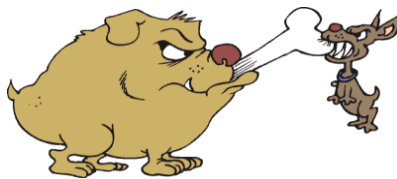

## *Introducing the First Class of 2016!*

**TOSHI:** originally came from Pierce Co. Humane Society as a stray. This 3 year, vibrantly brindle boy is a Chow/short hair mix. Toshi loves people of all sex and age, is dog friendly, and just loves attention. That must be why while in Drug Dog training he decided he didn't want a career, he just wanted to be a dog. He will make a wonderful new addition to your home! (DOC)

**ROCKY:** is a 2 ½ year old Chihuahua/Dachshund Mix. He looks a lot like our Pookie (below R), but they came from separate Shelters - Rocky was a stray out of Long Beach. Rocky is fine with dogs and cats, but is a bit on the timid side until he gets to know and trust you. After that, he's a real sweetheart and a great lap dog! This little guy could be yours – will he? (LONG BEACH)

**YAHOO:** is a beautiful 8-9 year old long-haired Lab mix. He originally went to PAWS due to his owner passing; he then was adopted to a farm. Yahoo found chasing chickens and cats way to fun – so, no homes with these critters. He is a very sweet boy, doesn't mind crowds or other large dogs, but can be a bit testy with little dogs. Yahoo is being trained by a handler in a wheelchair, so will make a perfect companion for someone with a disability – or not! (PAWS)

**MACO:** is a 6 year Chi mix with long hair with a little handsome graying around the muzzle. He isn't the happiest boy in this picture, as he was just neutered. Maco is a very loving boy once he gains your trust, and gets along well with the other dogs. (PAWS)

**POOKIE:** this 1-2 year old Chihuahua Mix resembles a Meerkat in the face! He has a fantastic personality, is very playful, and is great with the other dogs. Rocky is a snuggle-bug and a little sweetie. This guy is quick in learning his commands, and would love to show them off to you in his new forever home. (HAVA)

# Four-footed, Friendly, and On-the-Scene!

**SAWYER:** is a gorgeous Chesapeake Bay Retriever-Staffordshire Terrier mix. He is a short haired, young adult with a amazing personality, to boot. Sawyer is a very powerful boy, extremely smart and ever so sweet. This guys loves to be loved, and is just waiting to go home with you in March. (LONG BEACH)

**NEMO:** is an adorable 6 month old Labrador mix. She will need a special home. She is blind in the right eye and deaf, so we are teaching her some special hand signals besides the regular ones. Nemo has one ear that is shorter than the other, (which adds to her adorability), and has the sweetest heart you'll ever find! (HAVA)

**TICK:** at approximately 2 years of age, this Blue-tick Hound mix has a wonderful disposition and great personality. He is great with other dogs and is fantastic with people, but will need to be in a home without cats – he loves to *not like* them. Tick is one smart cookie, and will make a great addition to your home! (PAWS)

*Freedom Tails anonymous volunteer makes up yet another set of mats for the dogs. These mats then go home with the dogs the day of graduation in order to ease the transition into their new, loving forever home. Thank you! And, a thanks to the WARM Co. for their generous donation of the stuffing.*
