

# Freedom Tails

Stafford Creek Corrections Center – March 2016 Vol 8/No 2

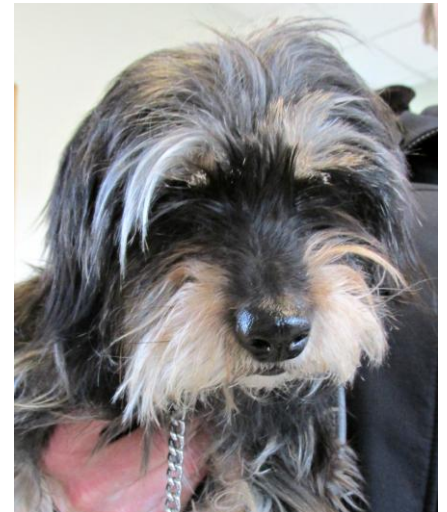

## Three More Dogs Join the 1<sup>st</sup> Session!

**ROSCOE:** is 10 month old Border Collie mix. Still being a pup, he is bounding with energy and get-up-and-go, and learning his commands quickly. Once Roscoe gets to meet a person up close and personal, he loves you. There is no shyness in this boy. One of HAVA's fosters asked if we could save him, so Freedom Tails is going to help find him that forever, lasting home! Roscoe is ADORABLE, energetic, VERY sweet, and a very quick study! Will you be that lucky home to have him as yours? ([HAVA](#))

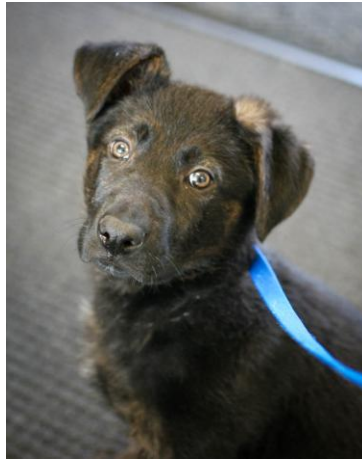

**CHIKO:** is a handsome 5 year old, Chowchow-Labrador Retriever mix and is just shy of 80lbs. He is a little overweight, so we'll be working to trim him down. Chiko is a GREAT all around dogs, had cats that he used to sleep with, is very friendly, and has quite the personality. This beautiful boy was found by East County Trap/Neuter/Release Rescue, and brought to us. Maybe your forever home can be his best and last rescue! ([East County TNR](#))

**SISSY:** is a beautiful little 10 year old Dorkie (Dachshund-Yorkshire Terrier). She is good with cats and people, and a real sweetheart. If you are looking for a small dog who wants to race around the house, this is not the girl for you. Sissy is the most laid back girl you will find. And, mind you, though Sissy is 10, she is a very *young* 10 years old - probably why she is such a very happy go lucky girl! ([PAWS](#))

# *Freedom Tails Saves Even More Dogs!*

*Top (L-R): Jasper, Forrest, Sam; bottom: Toby upon arrival...then, a little more grown up! Missing: Lt. Dan.*

## **EVEN OUTSIDE THE PROGRAM!**

*The dogs on this page originally came to SCCC as Freedom Tails dogs. But, after watching them and conferring with the Brigadoon trainer, it was decided they had the talent and abilities to join and be trained as dogs for specific wounded warriors! Now, how cool is that?!?*

*Brigadoon dogs have houses outside the unit - each with the insignia of the different branches of the service.*

*When you access the HAVA website, slowly drop under the Freedom Tails tab...magically an application link appears!*
